Dear Miles

I am writing to thank you for the work that you have undertaken for me, regarding the review of [REDACTED] CRHT and the interface with [REDACTED] Ward. You have clearly put a lot of effort and care into producing such a comprehensive and detailed report. I am also aware that you have gone about this in an unobtrusive manner and with care and regard for the staff members that you have met and spoken to whilst undertaking the project.

I realise that this is the second time that I have asked you to undertake a discrete piece of work on my behalf, and once again you have fulfilled my (very high) expectations!

I appreciate your support very much.

Kind regards
Yours sincerely

Veno Sunghuttee
Acting Associate Director of Operations.
